COMPLETELY AND THOROUGHLY READ THIS APPLICATION.

Application Fee: \$65 (Make check payable to The UAA Milers Booster Club)... NO REFUNDS. A portion of each application fee will be donated to the not-for-profit Eagle River Nature Center. The rest of the money will go towards event costs and the UAA Milers Booster Club.

Race Start: Meet at 6:00AM in the Crow Pass Trail Head parking lot at the end of the Crow Mine Road, 6 miles out of Girdwood. **RACE BEGINS at 7:00AM Sharp!**

MANDATORY

Pre-Race Meeting: Friday, JULY 26th, at 5:00 PM Wells Fargo Sports Center on the campus of the University of Alaska Anchorage. Number distribution will be *only* at this meeting. Last minute trail warnings and updates will be provided. **IF YOU ARE NOT AT THIS MEETING YOU WILL NOT BE ALLOWED IN THE RACE.**

The Course: Approximately 24 miles (never accurately measured and it changes year to year) along the Crow Pass Trail from its start near Girdwood to the Eagle River Nature Center at the end of Eagle River Road. The total gradient is 5959 feet, with a peak elevation gain of 3888 feet.

IMPORTANT NOTE: *This is a risk-filled and dangerous race. Bad things can and usually do happen. Someone has been injured or imperiled each year. There are very real hazards and little chance for immediate medical aid if needed. Racers are asked to please assist their fallen brethren. Communication is nigh onto impossible.*

6 Hour Time Limit: *This race is not for beginners. It is not designed for “recreational” runners, “hikers”, or people who listen to the song “We are Young” and sign up for an event that they are not properly condition to undertake. The 6 hour time limit remains firm. Runners exceeding the 6 hour time limit will not be included in the official race results, and the race officials who remain at the finish line will not be amused. **We strongly recommend that if you have never traversed the entire Crow Pass Trail that you do so before applying for the race. Do not make this race your first experience with the trail.***

Entry Requirements: You must have:

- 1) Completed the Crow Pass Crossing under 6 hours in 2011 or 2012, or
- 2) Completed a standard marathon under 4:00 since January 1, 2012 or
- 3) Completed a half marathon under 1:45 since January 1, 2012 or
- 4) Completed the Lost Lake Race in 2012 under 2:30

If you do not meet the above requirements, but you still believe you qualify, you must write a letter explaining your situation and include the name and phone number of an additional reference. Being able to ski a long way doesn't count. You should seriously reconsider your entry if you have a bad attitude, have sustained an injury within six weeks of the race, if you are a smoker, or if you have the flu or any viral or bacterial manifestations of illness.

HAZARDS

- 1) **Weather changes: precipitation of all types, wind, and thermal alterations.**
- 2) **There is a high likelihood of fog and wet, icy, or slippery conditions in the pass.**
- 3) **Unsafe drinking water sources (Giardia/ "Beaver Fever")**
- 4) **Animals (bears, moose, bears, stinging insects, bears, and other vermin)**
- 5) **BEARS have been encountered in all previous races. You should be knowledgeable about how to avoid skirmishes with bears.**
- 6) **Poor, unpredictable, and frightfully dangerous trail conditions including eroded trails and missing or broken and hazardous bridges.**
- 7) **Incomplete (and perhaps misleading) trail markings.**
- 8) **Perilous, cold, and possibly life-threatening river crossings.**
- 9) **Poisonous plants.**
- 10) **Hypothermia, hyperthermia, dehydration**
- 11) **You must ford a quarter mile wide, thigh deep, glacier-fed torrent.**
- 12) **Additional hazards of which we are so far unaware.**

Medical Aid Stations: *There are none.* Radio or telephone contact with the finish line has not been successful in the past. Check points in Crow Pass and at the Eagle River ford site will have emergency first aid supplies only. Check station personnel will not transport your supplies or gear, either in or out, so don't ask them. Emergency medi-vac is unlikely and should not be expected. If it becomes necessary and possible, it will be at your expense.

Mandatory Equipment (The Laddie Shaw Rules): You must have the following gear at the start and finish of the race, as well as over the entire route. Officials have the right to inspect for compliance with this rule at any time or location. Refusal to submit to an inspection, or failure to demonstrate compliance will result in disqualification.

- 2) **Stocking cap** or equivalent (not a hat) and **gloves**
- 3) Top and bottom **long underwear** (polypropylene or its equivalent suggested)

Fluids: You will be responsible for obtaining and/or carrying your own water, food, etc. Emergency water will not be available. You must pack out all your garbage.

Cut Off Times: You must reach the first check station in Crow Pass within **60 minutes.** If you arrive there more than one (1) hour after the start of the race, you will be dropped from the race roster, asked to remove your number. You may return to the start or continue on your own, but at your own risk. This cut-off time will be rigidly enforced.

- 1) You must pass through each check station where numbers will be verified and recorded. You are responsible for checking yourself in at each station.

- 6) You are expected to complete the course within six (6) hours.
